"A Blast from The Past" in aid of Willow Wood Hospice

In August this year, we held our very first classic car show, "A Blast from The Past". This was in Aid of Willow Wood Hospice. A fantastic cause that we have supported over the past decade in numerous different ways. It was a huge success and together as a community, we managed to raise over £5,700 for this fantastic cause.
Following such a successful event, we have decided to make this an annual event, follow our socials for updates about our next show….
Thank you to everybody that came along, supported and got involved with this amazing day.

SADDLEWORTH SAUNA Hut

@ Hillcrest Holiday Homes

Coming this November

A wood-fired sauna and cold plunge experience set in a beautiful canal-side and river setting.

Created with the simple idea of giving people a place to relax, reconnect and enjoy the outdoors in a different way.

SAUNA | COLD PLUNGE | RELAX | RECONNECT

Enjoy a sauna and cold plunge; not just as something to do, but to step away from the usual pace of life.

There's something about sitting in a warm, wood-fired sauna and allowing yourself to slow down. Then comes the cold plunge — a completely different sensation that brings you right back into the moment.

And afterwards, there's that feeling of sitting outside, breathing in the fresh air and having nowhere else you need to be.

We can't wait to welcome you!

Cookery Corner

Peppermint Creams

ingredients

1 Egg White
325 g Icing Sugar
(plus extra for dusting)
1-2 tsp Peppermint Extract
Green Food Colouring
(optional)
100 g Dark Chocolate

method

- Line a couple of baking trays with greaseproof paper and set aside.
- Whisk egg white in a large bowl until light & fluffy, but not stiff.
- Sift icing sugar into the egg white. Add peppermint extract & food colouring (if using) and mix until combined into a dough. You may need to use your hands to bring the dough together.
- Take a small amount of the dough (about 1-2 teaspoons) and roll into a ball. Place onto your pre-lined trays and gently press with a fork. Repeat until all your dough is used – you should get around 20, depending on the size of your peppermint creams.
- Transfer tray to the fridge for a minimum of 2 hours, or overnight.
- To finish, break the chocolate into a bowl and gradually melt it in short bursts in the microwave or over a bain-marie. Dip your peppermint creams halfway into the chocolate, one at a time, and place them back onto the lined trays.
- Return to the fridge for a few hours to set the chocolate.

Presentation Night 2025/26 Season

The annual Presentation Night took place on Saturday 5th September, at the Alexander Club, the home venue of Alexander A, our snooker league champions.

We started with our usual Snooker Killer, which was won by Paul Grace. This was followed by a buffet and raffle and finally by the presentation of the trophies.

The presentation was conducted by our League President Darran Beswick and our League Secretary, Simon Buckley. The final award was the Sportsmanship trophy which went to Jay Hardman, captain of Alexander B. This was presented by Ian Hopton, League Treasurer, on behalf of Kevin Welsh, League Chairman.

The league has been very competitive this year with plenty of tight finishers in both snooker and whist. The trophies have been shared amongst all 6 teams with St Peters having won the most, closely followed by Alexander A & B and Mossley B.

Our new season started on the first week in October with our annual challenge matches, Gordon Clay [whist] and George Fletcher [snooker]. In the Gordon Clay, St Peters beat Hyde Club 135 to 125, and in the George Fletcher, St Peters beat Alexander A 3-2. The league starts in earnest one week later and will run until April next year when our individual and team knockout competitions start. In the first week there were wins for St peters, Alexander A and Mossley B in the snooker league and wins for St Peters and Hyde Club in the whist league.

If you want any further information about our league or want to either play in it either as a player or part of a team, you can contact our Press Secretary on 07736678303 or via email at ian.stalybridgesnooker@outlook.com

Thomas Earnshaw

1749-1829

Thomas Earnshaw was born on 4 February 1749 in Ashton-under-Lyne. At the age of 14 he was apprenticed to the watchmaker William Hughes of 119 High Holborn in London.

• He quickly gained a first class reputation, but made little money. Debts forced him to abscond to Dublin. When he returned, he spent time in the Fleet debters' prison.

• In 1780 he devised a modification to a marine chronometer to replace a pivot with a specially designed spring. This was the chronometer escarpment. It was patented by Thomas Wright (for whom he worked) in 1783.

• A rival, John Arnold, had sight of Earnshaw's designs and patented a similar device in 1782. This caused much bitterness on Earnshaw's part.

• On 1 July 1789 Earnshaw was introduced to Nevil Maskelyne, Astronomer Royal at Greenwich. He tested an Earnshaw chronometer for six weeks and encouraged him to continue to make them.

Thank you to History on Your Doorstep for the information.

• In July, 1791, Captain William Bligh purchased Earnshaw's chronometer no. 503 at a price of 40 Guineas for a voyage in HMS Providence from Tahiti to the West Indies.

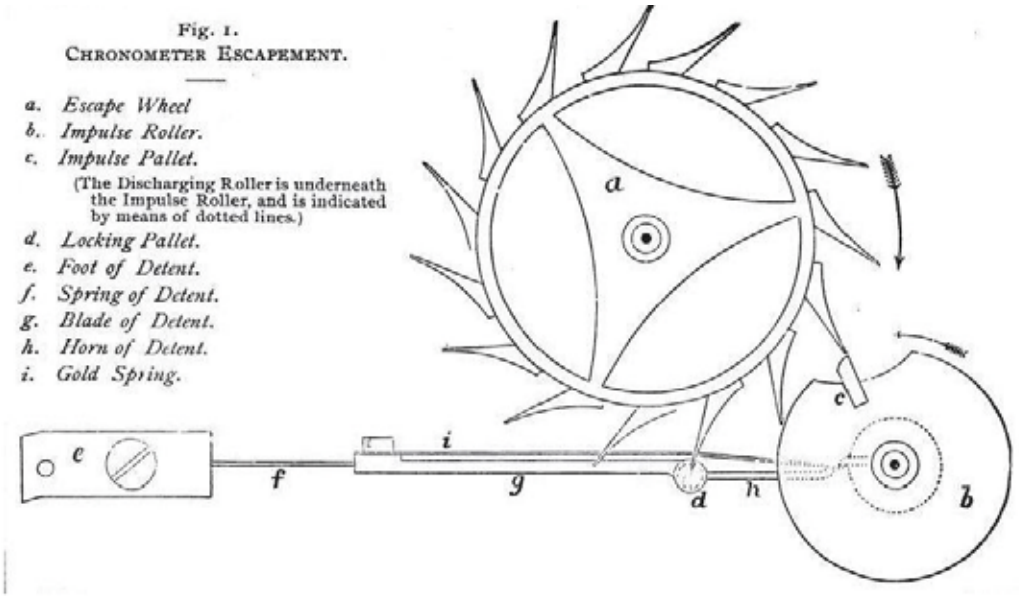

• Earnshaw and Arnold were granted awards by the Board of Longitude for their improvements to chronometers in 1805. Earnshaw's design has been used universally in marine chronometers ever since.

• Earnshaw died in 1829.

• Between 1831 and 1836, chronometer no. 509 was carried on HMS Beagle on a voyage to circumnavigate the globe and establish, for the first time, a chain of points around the world of accurately-known longitude.

EMMAUS Mossley

Date set for Emmaus Mossley's Christmas Bazaar

Saturday 14 November

Homelessness charity Emmaus Mossley has announced the date of its annual festive charity event and sale that will include seasonal food, drinks, music and a visit from Father Christmas.

Emmaus Mossley's Christmas Bazaar will take place on Saturday 14 November at the charity's Secondhand Superstore. The event aims to bring people together to share some seasonal joy whilst raising vital funds to support people affected by homelessness.

Emmaus Mossley is a charity that empowers people to overcome homelessness for good. Whilst resident at Emmaus, each person is supported to build their confidence, self-esteem, skills and work experience to achieve their goals.

Jimmy, one of the residents supported by Emmaus Mossley, said: "I'm really looking forward to welcoming people to Emmaus for this special event. We're keen to create a warm atmosphere within our Second-hand Superstore and to share the love with everyone over the Christmas period."

Items available at the event will include a wide range of decorations, pre-loved baubles, reusable trees, lights, secret Santa gifts, presents for under a fiver, vintage goods, unusual gifts, festive linen and affordable furniture for those extra guests.

In the run up to the event, Emmaus is appealing for donations of good quality decorations, festive items and unused toys & gifts from last year. Every item donated to and sold by Emmaus helps to sustain their 26 bedroom community home & the life-changing support provided to their residents.

Hazel Hodkinson, Retail Manager at Emmaus Mossley, said: "Our family-friendly festive charity event and sale is one that our community looks forward to every year. We'll have lots of seasonal items for sale, along with music from a brass band, fun activities, delicious food, and a visit from Father Christmas!

"If you're looking for something unique, want to shop more sustainably, on a limited budget, or keen to support a good cause this Christmas, be sure to visit Emmaus Mossley."

The charity event will take place on Saturday 14 November, 10am-4pm, at the Emmaus Mossley Secondhand Superstore, Longlands Mill, Queen Street, Mossley OL5 9AH. Festive food, cakes and drinks will be available on site throughout the day.

The Last Post

Immaculate in uniform
the statuesque Veteran stands
A tell-tale sign that betrays his age
are his trembling Parkinson's hands

Behind the eyes inside his head
flood memories of the brave and dead
Another time, a far off place
the evils of the human race

The vacant stare, the clenched jaw
freezing trenches, blood and gore
The shrill of the whistle, the rising bile
and the fight for no-man's land…. futile

Brothers and Sisters, in life and in death
medals and ribbons adorn their chests
Some paid with their lives, the ultimate cost
still mankind learns nothing, lessons are lost

Though hearing fades, guns and grenades
still torment a peaceful nights sleep
He somehow survived, made it home alive
too many Mothers and Widows sadly weep

Look deep into those milky eyes
see reflections of young ghosts
Pals long gone before the setting of the sun
and the salute of their very last post

….Lest We Forget….
